CITY OF LODI

PUBLIC WORKS DEPARTMENT

COUNCIL COMMUNICATION

TO :	City Council	<u>Project Data</u>	
FROM:	City Manager	Originally Budgeted:	1987/88
MEETING DATE:	March 22, 1989	Budgeted Fund:	Water Capital Outlay
AGENDA TITLE:	Award Contract for Well Drilling, Well 23, 55 East Harney Lane, and Authorize Advertising for Bids	Amount Budgeted:	\$262,000 (total)
		Total Project Estimate:	\$99,700 (this phase)
		Bid Opening Date:	3/15/89

RECOMMENDED ACTION: That the City Council award the contract for the above project to **Beylik Drilling, Inc.** in the amount of \$98,460.00.

BACKGROUND INFORMATION: This well site is located on Harney Lane, west of **Stockton** Street and east of the Southern Pacific Rail Line. The project consists of drilling a production water well. The test well results have shown that sufficient water bearing strata are present to recommend the completion of this well to a depth of 547 feet. Most of the recent wells are between 300 and 400 feet deep. The additional depth of this well accounts for the **higher** project estimate.

Additional information from the drillers indicates prices are higher due to the drought, material costs have risen 20% over last year, and bonding and insurance costs have increased.

Plans and specifications for this project were approved on March 1, 1989.

The City received the following three bids for this project:

<u>Bidder</u>	<u>Location</u>	<u>Bid</u>
Engineer's Estimate		\$ 85,000.00
Beylik Drilling, Inc.	La Habra	98,460.00
Clark Well & Equipment Co., Inc.	Stockton	109,850.00
tame-Western Co., Inc.	Woodland	114,988.00
